CHAPTER 1
COMPANY PROFILE

Infowiz Industry Pvt. Ltd is registered under the Government of Indian Company Act and certified by ISO 9001:2015 with the sole aim of imparting quality industrial training and services through a unique and efficient delivery model. It has extensive experience of training students and has been a National Award Winner for 3 consecutive years. Infowiz is North India's leading industrial training company and has evolved into a trustworthy brand in the training industry. Infowiz is located in Chandigarh and is equipped with a committed team including experts and technical trainers who ensure quality and effective training solutions.

Infowiz embarks upon a step further regarding industrial training with placements. We provide in-house training aided by a strong placement and consultancy wing. We impart industry-based effective training and excellent placements by bolstering the students with technical and soft skills. We have placed students in several reputed organizations like DRDO, NTPC, Indian Railways and MTS etc.

Infowiz Industries Pvt. Ltd is one of the leaders and pioneer in the field of improvising quality knowledge and education among the engineering students who are on the edge of passing out from the campus and are ready to face the challenges of real corporate arena. Infowiz is just a 9-year old organization registered under Government of India and a member of **CII (Confederation of Indian Industries)** over these past 9 years of its existence.

Infowiz is a young organization with ISO Certification which has been working in the field of IT, Embedded System and has been providing its clients with exceptional quality in Web Design, Web Development and SEO services. Our clients range from small, medium to large scale Business houses & individuals. We also provide the off shore companies of US, UK, France, Ireland, Canada and Australia with quality and timely Web and SEO services.

Infowiz is an organization which is established in the field of Web Development (PHP & .NET), JAVA (Core as well as Advance), iPhone & Android Applications, Embedded systems (AVR, PIC & ARM), Python, and ROBOTICS.

Infowiz does not boast itself of being the best development company but enjoys reputable position among top Web Development and Electronics companies because of our timely delivery and quality work. Our skilled team of professionals make sure that the product is developed as per the customer's needs and also keeping the customer informed about the development of his project from time to time. We do not only emphasize on formulating an attractive solution to our clients but also believe in providing a workable solution. Infowiz offers research based Search Engine Marketing products that help achieve greater insights to customer's online business. Our Research & Development arm offers SEO tools for SEM professionals. Infowiz also provides **Technical Support & Consultancy** to Software Companies like JIA Group, New Zealand, Sagitech solutions Panchkula, Jarc Infotech Mohali, Infonet Solution, Delhi etc.

OUR TEAM:-
